

ave maria

After the great success of the first two seasons and a large number of requests we have decided to double the fleet. This time we have personally chosen how to build the boat thanks to our knowledge and experience of the bike & boat business we have acquired in these years.

BOAT OVERVIEW

AVE MARIA SIZES

- length: 41 m
- width: 7,5 m
- draught:
- > water rod: 1,05 m
- > air rod: 4,05 m

CABINS

- > 10 double standard cabins (3 of these can become triple cabins, with a bunk bed) of approx. 11 m²
- > 3 double superior cabins (each of these can become a triple cabin, with a bunk bed) of approx. 11 m²
- > 4 single cabins (each of these can be sold as double cabin with bunk beds) of approx. 7,5 m².
- > 40 guests max capacity

Each cabin boasts large windows, comfortable low beds, en-suite facilities and air conditioning.

BEDS

Bed size is 2 x 0,80 m. Each double bed can be changed into two single beds.

THE LIVING ROOM

air conditioned living room, measuring 11 x 7,5 m and divided into two areas:

- > the restaurant (33 seats)
- > the lounge (up to 28 seats).

ADDITIONAL FEATURES

- > two sundecks
- > dedicated bike parking (for approx. 40 hanging bikes)
- > internet point with two computers
- > free wi-fi
- > large 52" screen TV in the lounge

100% ITALIAN DESIGN

This Italian boat has been totally rebuilt in order to meet the most challenging clients' requests. Only the hull of the original 1970s sand digger sailing along the Po has remained and the boat is now brand new. It has been completely designed by a renowned Italian architectural firm. Its shapes, colours and materials have been chosen carefully in order to create a warm, sober and yet sophisticated atmosphere.
